Message Title: I Didn't Wish For This!

Date: December 8, 2024

Speaker: Curtis House

DISCUSSION & APPLICATION

1 Tonight is our last life group for this semester. What have you enjoyed most during your time in life group this fall?

Read Luke 1:25-38.

“When we do not believe God’s promise for our lives, we do not necessarily destroy the promise; but we do destroy our ability to enjoy the promise.”

2 Can you relate to Elizabeth and Mary, whether it would be feeling disgraced among people or accomplishing something that seemed impossible?

God’s timing may not always be convenient but it will always connect us with Him.
Don’t despise small beginnings.

3 Share a testimony of when you have embraced God’s timing.

“God uses people who fail, cause there aren’t any other kind around.”
-Charles Spurgeon

4 Read through verses 37-38 in different translations. How does this scripture impact you in your current season?
