AT A GLANCE

SCRIPTURE

Exodus 3:1–5; Romans
1:18–23; Acts 17:18–23

APPLICATION

- God must have your attention
- God must have your affection

DISCUSSION & APPLICATION

Read Exodus 3:1–5 and Joshua 5:15.

WORSHIP is our response to what we value most.

1. Being in God's presence affected Moses' affection towards God. How do you show your heart's affection to God?

Worship activates our faith!

3. How has worshipping God brought transformation in your life? Share your most memorable worship experience and why it impacted you.

Read Romans 1:18–23 and Acts 17:18–23.

We are all worshippers. The question is, what are we worshipping?

4. What are things we tend to worship other than God?

Everybody has an altar, and every altar has a throne.

5. What is on the throne of your heart?

- Write down where/what you spend your time, affection, energy, money, attention, and allegiance.
- Whatever or whomever these lead to is what is of highest value to you.
