Read Matthew 7:24-27

The cornerstone is Christ and the foundation is God's Word.

1. In what ways do you make Scripture the foundation of your home and family?

2. What are examples of ways we tend to mix "rock and sand"?

3. Where are the cracks and crevices in your foundation?

Read John 16:33.

4. What promises does Jesus share in this scripture? How does this impact your current storm or a storm you've been through?
