1. Why do you think we naturally focus on doing rather than becoming?

2. Bill stated, “You can do something without being something, but you cannot be something without doing something.” What does this mean and how have you experienced it?

Read Matthew 7:50–51.

Spending time behind the veil makes me less like me and more like Christ.

3. What does having direct access to God's presence mean to you and how does it impact you?

4. Why is it important to spend time behind the veil before we begin our day?
